“ *To My Family:
My condolences for us and love is sent.
Although this is a hard time for us;
We will make it through. What is now left is the sweetest yet
destained memories of Mrs. Ollie L. Norfleet. Through us, SHE
WILL LIVE ON, the LEGACY must continue. With the prayers of the
rightous and the glue that holds us together... We've heard it over
1,000 times, but
WE WILL BE ALRIGHT! For someone with such a heart of gold to
be gone afar.. it is indeed heart-aching... with GOD all things are
possible, with that and much more to be said, I pray that we can all
make it through to be rid of this storm that has passed us by.
Peace and LOVE

“ To Our Family In The Loss Of Our Mom, Wife, Grandmom, Sister, Aunt, Missionary, And Friend. "One's never really ready when it comes the time to part. But Missionary Ollie Louise Norfleet will live forever in sweet memories in our hearts". May we think of her often, remembering, too. all the good times we shared with her and how much she loved us. Although we will miss her and mourn that she's gone, may this thought bring us comfort and peace- that in us ... SHE LIVES ON...

“ May the Piece of God which Passeth ALL your understanding keep your hearts and mind during this time of transition and adjustment. Even when it seems difficult and rough just remember that God is in control and HE will NOT allow us to carry more than what we are able to bear!!!! Know that it is ok to cry if you have to because he bottles our tears and besides all----HE IS CONCERNED ABOUT US AND HE CARES!

“ *Carol and Family,*

I am going to miss her so much, she always greeted everyone with a smile. Dialysis is not easy but when you meet people like Ollie who laughed and provided encouragement to others, it made some of the difficulties more pleasant to bear. As I told the other patients that she had died each one had mentioned what Ollie had said to them last Friday and every comment was with a smile.she was a special lady.

I offer you my heart felt condolences
