“ *I do not know if anyone will see this as I have just now learned of Osric's passing. Osric only spent that one year with us at Bridgton Academy but his personality and demeanor won him many friends and admirers on this campus. A true gentleman with the voice of an angel, he was also a straight out baller on the field!!!*

I am very saddened to hear that he is no longer with us, and I know that he will not be forgotten by family and friends.

“ *To my little brother, man I really miss you so much, I won't question God as to why he took you from us and so soon, I will just trust him and be grateful for the time he allowed us to share with you. Sing with the angels Osric, we will see you again...I love you so dearly..*

“ *To the Family & Friends:
Please accept my sincere condolences on the loss of your love one.
When unforeseen occurrences befall us, and the enemy death
strikes, our grief can be great.
It is at times like this that we need comfort and support whether we
are acquainted or not.
May you find comfort in Almighty God promise of the resurrection.
(Acts 24:15).
All of God's promises will come true, for it is impossible for Almighty
God Jehovah to lie. (Hebrews 6:18).
Respectfully,*

“ I am sorry to read about the passing of your loved one. The loss of a loved one grieves the heart. In the Bible there is comfort for grieving family members. Please read Rev 21:3-4, when Jehovah God keeps the promise he made he will eliminate death, mourning, outcry, pain and sorrow.
