Cowards die many times before their death the valiant only tastes death but once, of all the rumors I yet have heard it seems to me most strange that men should fear seeing that death a necessary end will come when it will come. Julius Caesar.

Pamela Ann Lewis Williams she was a woman of a great comprehension unwavering valor and an uncompromising notability.Pamela is devoted to her family and friends. I had the great pleasure of spending 15 years of my life with this amazing woman we ment when I was only 25 and in that 15 years the trials tribulations devotion loyalty love and the Divine wisdom and knowledge she shared with me is priceless and will ever hold a space in my heart and mind. A lot of people understand our love that's okay it's not meant for them to understand. But there is one thing to remember Pamela Ann Lewis Williams the finest woman I've ever ment. Be truly missed by friends family,pets and most of all me.

Pam wore her heart in her sleeve. She was always ready to help anyone she could. She loved her family and friends very much, but most of all loved her kitties. I will miss you my sweet loving friend. RIP
