“ *Please accept my condolences in the passing of Pat. My name is Linda Thorpe and your family was a very important part of my life at Martin Luther King. I taught Charmaine, Tonya, and Shawn. Viola Burruss came to my father's cleaners and got me my job at King School. I owe so much to your family. May the memories Pat left behind bring you comfort and ease your sorrow.*

“ *My most memorable time is laughing at you when you was talking smack. Your sense of humor was too much for many but for me, I enjoyed every moment. You was the realest person any one could have known. One thing I will always have is the legacy you have left, speak your mind and don't let nobody walk over you! Until we meet again, rock the heavens Pat!*
