“ *To "Butchie" and the Daniel's family as Pat called you, you have my heartfelt condolence. Pat and I shared so many great laughs when we were at Dun & Bradstreet. We became co-workers again at YNHH, occasionally I would see Pat on her floor and we reminisced about the good old Dun & Bradstreet days and we laughed so hard as if those days had just happened, what reflections we shared. I will always remember her affectionate smile as in this picture...Donna McCoy-Roberts..*
