“ So many memories of you. Your smile ,even when I may have been frowning, your encouraging words in my time of disbelief, your singing Keith Washington and taking all my CDs with him by any means necessary, that trip to Delaware and the phone calls that were nothing but jokes and laughter. Patresha I'm crying again writing this, so glad of all the days I saw you in the hospital. You were/are one of a kind. Look how your home going is on a date we won't forget Friday the 13th, I smile to know that somehow it's only fitting. So not looking forward to the last time, so I will say farewell my sister my friend. Always Tutu..
