*We would like to extend our sympathy and condolences to Patrick's wife, Ethel and his family. Our uncle Patrick was a nice person who was full of life. He was a family person who cared for his family, both immediate and extended. When we spoke, he would never end a conversation without inquiring how "everybody" was doing, and would follow up by asking to give them his love.*

*God Bless, rest in peace uncle, your nieces and nephews in Boston.*
