

Paula Johnson

February 28, 1953 - April 10, 2022

Paula J. Johnson, affectionately known to her family as “PJ”, departed this life Sunday afternoon, April 10, 2022 at home surrounded by her family in New Haven, Connecticut. She was born February 28, 1953 in New Haven. She was the daughter of late William E. Johnson, and Laura G. Johnson Herring.

She graduated from Richard C. Lee High School. She retired from the U.S. Post office in 2017.

Paula was deeply loved by her family and friends. She loved bowling, sewing, puzzles, baking, and just being around her family. When the Covid 19 pandemic began, Paula made 100s of face masks for people out of the kindness of her heart. She was also very active in the home care of her mother, Laura, during her illness until she passed. Paula’s Posse will miss her dearly.

“ *Paula Johnson*

October 09, 2023 at 06:14 AM

“ *To the family of Paula Johnson,*

Sending our thoughts and prayers to each one who had the opportunity to know and love Paula. Paula and I were co-workers at the Post Office for many years, and what a pleasure to know her, laugh with her and just talk to pass the time away. She had such a wonderful personality and got along with everyone. I can still see her beautiful smile and hear her laughter. It is so sad to know that she had passed on, but I'm sure that she will live forever in many hearts. Stay strong, and may God continue to embrace you during your time of loss. Sleep in Heaven Paula.

Dorice Harris & Family

Dorice Harris - April 28, 2022 at 06:34 PM

“ *I love you more than life itself. I can't believe i'm reading an obituary with your picture and information on it. I'm so heartbroken. I've never gone this long without speaking to you. I'm still in disbelief that this is my new reality. You exhibited an amount of strength that i've never seen. I just hope to follow in your footsteps and be as strong as you are.*

“ I remember our years of bowling in the Friday Night League at Hamden Lanes. She would roll her bowling ball so fast the pins should fall before the ball get there! 🙄🎳😭 She and I was always shooting for the highest average. Those were the best years in bowling for me. She was always smiling, but, when it came to the game you had better be ready! She will be missed. 😭😭🙏🙏❤️🌹🎳🎳🎳
