“ *Porscha defiw* was a beautiful soul and she touched many people's lives. She was a great mother and loved the life she was living with the ones she loved. I will miss our conversations and I love you sis. I'm glad you no longer have to deal with pain. I know it's not easy here with you gone. I know your family misses you very much and the love of your life. Thank you for fighting so hard and it really doesn't seem real that you are gone. May you forever be remembered for the beautiful soul that you are. Rest easy sis. Love always, Jess
