“ I really appreciate this lady, she took on my family with open arms. She loved my son Jr. And treated my granddaughter Lillian like she was part of her family simply like her grandmother, and for that I am grateful. I'm thankful that she was there to lend a helping hand to my Son and was very patient with him doing the bad moments she always encouraged them both that's why I love her. Lastly she loved her daughter Tora more than words can ever say, rest in peace to a very special lady where God has you now. Love Tony and Loretta Chamblee.
