“ Quincy, your smile and jokes will stay with me forever. Today I was telling a story about us in high school and I searched for you online..sadly this is where I ended up. I said NO NOT my boy Quincy! You passed the same year my mother did and you were both good people. I haven't seen you since the 10th grade but I will never forget you buddy! You made me laugh every day and I'm blessed to have the desk in front of you!
