“ *I am still struggling with the fact that you're gone .  
Memory's , I have too many to share but I will say this , you're my  
best friend . That trauma messes with my mental everyday since ! I  
still check on mommy cuz she needs that piece of you that still  
hangs around. Things ain't the same as it use to be but I know you  
see it bro.*

*Only thing I can say is I've changed my ways .... It took me along  
time and I had to move far away but I have to live for us ! ! !*

“ My sincere condolences go to your family. I know the pain of losing a son. I lost my son Tyler(T.Y.)Coward last year in the month of June to 3 gunshot wounds in his chest. The only thing that I can offer the family is my prayers, and to let you know that I feel your care and know that God will continue to help you day by day, when everybody has left you, God will still be right there every step of the way.

*God Bless*

“ To my family@Brown family it has been a tough time for us right now but MAMA has always taught us how to turn everything over to GOD we to have keep trusting and believing in him and keep the faith and trust me everything will be alright we no how MAMA prayed from day and night now she not here to do it for us so we have to do it ourselves which is not hard to do so do what MAMA taught us trust in GOD and believe LOVE Y'ALL AND WE WILL GET THROUGH IT TOGETHER.
