“ I’m still in disbelief and the pain continues to exist. It’s truly heartbreaking witnessing the ONLY person I can genuinely call “FRIEND” fade out of our life’s so quickly. I’ll always remember this amazing man as a companionate individual who not only regularly looked out for the welfare of those he cared so deeply about but also for those who were deemed defenseless or an underdog. I’ll miss his spontaneous messages and telephone calls just saying “ Be safe.....” One of the most valuable things I’ve learned from this great man was to live life to its fullest. And, not to allow anyone or anything to hold me back. Life without his presence will be challenging but I know he’ll be looking down and help guiding me throughout this journey. More importantly, I offer my condolences to Quintel’s family. He always had such high regards for each and everyone of you. May God Bless you all! Jamelle B.
