“ Mom, it's not a day that goes by without a thought of you. I wake up thinking about you, go through the day, wishing I would hear your lovely voice saying (mama how are you? I love you too, when I said I love you mom). I go to bed thinking about you. You never give up, not even on your last day on earth. You were always a fighter, you never said you were not fine, you would always say, "I tell the almighty God thank you". Life is not the same without you, I'm empty. God has been my strength, you thought us all about God and in him we are leaning on. Thank you so much mom for everything, you are our rock, our strong hold. We love you so much mama. Heaven has gain a beautiful soul. Sleep in peace mama.

“ Sister Rachel was a mother to us. When ever I visited her home, she made me feel at home. I was always comfortable in her home. It’s sad to see her leave for heaven but God loved her the best. We will truly missed you. Rest in perfect peace. Heaven has gained a beautiful soul. I love you sister Rachel and you will be greatly miss.

*Miss Rachael was a loving and kind person. A really sweet soul. My memory of her is always making sure that I am ok. As Gertrude's college friend, she always welcomes me and other friends of Gertrude into her home. Whenever we visited she always have something for us to eat. We felt like apart of the family. May her soul rest in peace.*

“ *My sincere heart felt condolence to the family. Through her I gained a family and the love they showed her was priceless. Mama Rachel was full of love and laughter, very peaceful and kind. Very appreciative of the love shown to her and deserving of it too. I remember our special time together, listening and shaking our our bodies to Christian musics. I miss her dearly but I know she is resting in the bosom of our Lord Jesus Christ and Heaven has welcomed her. God bless and be with the family.*
