“ *To the Family, I am just seeing this now on the website I am saddened to know that Ramon was called home. I know that God makes no mistakes. His presence lit up a room and he would always have a kind word and smile. His spirit will emulate in all that knew him. Praying for your Comfort and Peace*

“ *Ramon was one of the nicest people I have ever met. You could be having a bad day and he would cheer you up, he could light up a room with his personality you can't help but to fall in love with his sense of humor. I've seen Ramon give his last to someone who was in need and he would go without. That was the type of person he was, he would be willing to help anyone who was in trouble. From car repair, to making sure someone had something to eat, or giving his street knowledge, to making sure no one was being taken advantage of. Ramon and I have worked in the same building for 6yrs together, I am going to miss my partner, my side kick, my brother. I love you my friend. My heart goes out to his family, you all are in my prayers.*

“ Mone I will Always Cherish the Summer nights & Days we shared sitting on my porch drinking wine and cutting up. You would be acting silly and coming up with some Corny joke. But what made them Funny is the fact they were Corny. Lol Boy would we get on each others nerves more so me than you but it was Always love of Friends. You were Always around when I Needed you no questions asked. I couldn't have asked or been Blessed with a Truer Friend than You. When I think of "Loyalty and Humbleness " your name will be attached to those words. Sleep Peacefully My Family member not just Loyal Friend.

To the Family I send my Heart Felt Condolences May his Love for You carry you through this time of Sorrow and Always.
