“ *My condolences to the family. Boomer will be missed. I truly loved Boomer for the big hugs I was always greeted with. I have known Boomer all my life growing up and living in Ansonia he was always kind, soft spoken, well mannered. Thank you Boomer for always letting me in free at 232. May God have a place for him in heaven with the rest of the saints. He will be greatly missed.*

“ *To the family of Big Boom my family and I send our deepest condolences to you at this time of bereavement. Big Boom will always be remembered especially for the tightest hugs he used to always give me with the juicy kiss on the cheek. Big Boom gave hugs like no other person I've ever known so he will definitely be missed along with them hugs whenever I came to Ansonia to visit. Stay blessed, safe and most of all encouraged in the LORD. We love y'all but GOD loves you all more.*

“ *Dear Ray Ray seven years ago we became neighbors and
developed a beautiful friendship words cannot express how much I
miss you and how much I love you. As I got to know you I found a
genuine person with a heart of gold who is always there for others
and I can't begin to name the number of times that you came to my
rescue to help me with my wheelchair. I will never forget you Ray
and I promised you and I will keep my promise and watch over a
Selena view everyday. Rest in peace my friend. I love you Lorraine
