“ A truly good man who I worked with for many years in our
emergency department. I can still hear his voice now. May he rest in
piece and I hope his memory is a blessing to his family.

“ You were very special to me we laughed and we bickered but we always had the deepest respect for each other I will miss you dearly you were like a breath of fresh air when I walked through the door you always made me feel accepted and I know it was very hard for you to have someone outside of the family be your hands it was my pleasure doing for you I never regretted it for a moment you and your family treated me like I was part of the family I will miss you. Thank you to the Spears family for allowing me to come into your home and treating me like one of your own he is gone in spirit but will always remain in our hearts 🥹

“ Reggie and I worked together in the ED. We would speak often, offering each other support. Our work, while different, allowed us to see patients' view. I know that he took comforting patients as an integral part of his job. Rest in Peace.
