“ *To the Jeffreys-Hardison family, please accept our condolences during this very difficult time. We lived across the street from the Hardisos/Jeffreys family for many years, even attending high school together. Ricky will be missed but definitely not forgotten. The last time I saw Ricky was earlier in the day on Thursday and one thing I can say is he never changed when it came to loving his family, especially his mom. I pray the memories and good times will carry the family through and know he's in a much better place, waiting on his loved ones. Be blessed/stay blessed.*

“ I remember him driving the bus in Middletown. Always smiling and wanting to hold a conversation about any and everything. Truly a good guy! Always spoke when I saw him. I'm truly saddened by this news. Rest In Peace.
