“ *1 Peter 5:7*

*7 Casting all your care upon Him, for He cares for you.*

*My sincere condolences to Allan Bowen & Family...*

*Uncle Bobby it has been so many years since I last saw or spoke with you. However, the distance and lapse of time never changed the fact of me considering you of being one of my favorite uncles. A few months ago; back in October, you were on my mind heavily and I inquired about your contact information but sadly was unable to obtain it. I remember as a little girl the visits from you, the walks and long talks, the dinner invites and me sleeping over at your place on some weekends. All of which are fond memories I will forever cherish.*

*Loved you then & still love you now...*

“ To Deb & Family - I remember the good old days on West St with Bobby, Gaylord, and us girls. We used to get into so much mess, but it was clean. West St. in the hill used to be the spot, but now you can't even walk through there. Look to the hills from whence cometh your help, for it cometh from the Lord. You all will be in our prayers. We send peace and blessings from our house to your house.
