“ *Robert was definitely a "Christ Like" man. He was full of kindness and respect. I often sought his wisdom and predictably turned around in Church to give him that approving look. I remember once when I visited him in the hospital, they asked if I was family and I responded "DEFINITELY". I truly meant it. Rest in Peace my brother. We will always remember you.*

My deepest condolences to sis Michelle and family, Bro Rob, words cannot explain the kind of person he was, A man of respect and dignity, kind hearted and would do anything and everything for anyone, I remember a lot of our good old days spending time with each other at wayfaring and joking around all day and just sharing love and Bro Rob was the head of it all. So much good memories of him to remember. He's gonna be missed but I pray that his soul rest in peace. 🌸
