“ *IÂ'm sorry for the loss of your loved one. The Bible contains many scriptures that provide comfort to family and friends. Listed below are two such scriptures God has provided in the Bible. We all want to live, and enjoy with those who we love. The Bible teaches at John 5:28, 29 that most people who have died will be resurrected by Jesus Christ. In harmony with GodÂ's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth and everlasting life mentioned at Psalm 37:29 that says Â“the righteous themselves will possess the earth, and they will reside forever upon it.Â'Â' This promise includes perfect health and once again everlasting life. I hope this gives much comfort to family and friends.*
