“ *Robert E Rouse*

“ *Robert and I met online 20 years ago, I as living in London as an American expat and was trying to write my first novel at the time. Our developed friendship online was wonderful as we bounced thoughts, opinions, and even some of our poems between the two sides of the world. Amongst some of the gifts we exchange I am blessed to have one of his first edition printings of his poems, nicely signed with a wonderful well-wishing. I am truly sorry to learn as I finally tried to reconnect that I am too late, Robert had a wonderful gift and a huge heart. My warmest loving wishes to his family and friends for their personal loss.*
