“ My deepest sympathy to the family at this time of sorrow. I am sorry for your loss please accept my condolences. I will remember Robert from a song by Whitney Houston he would sing, walking the corridors of Troup Middle School. He was great at harmonizing... Robert was such a fine person with a beautiful spirit. It is too bad that he passed away. Rest in peace and know that I will never forget you.. Monica Parker

“ It was all love growing up on Dickerman St and Pinto was one of my good friend. I remember playing basketball ball on the crate rims in the lot in back of burger king. Even though I haven't seen him in years knowing I won't have the chance to again breaks my heart. This is from Brett Crawley
