“ *Ron was a very nice man who came to be a dear friend when we worked together at Store 24 years ago. One of the fondest memories I have of Ron's generosity is when he took my daughter's first Christmas photos and would not accept a dime from me. We also spent a lot of time laughing--he had a great sense of humor as well! Ron will be sorely missed and my sincerest condolences go to his family. Regards, Karen Gatison*

“ Hello, My name is Nancy Carlson and I was a friend and co-worker of Ron's. I was so sad to hear of his passing. He was a good friend and I enjoyed the times we had together at work when we were at Wayside Furniture and at our little rug store after that. We kept in touch the past couple of years calling and having lunch when we could. I will really miss Ron. I want to express to you my deepest sympathy, we have all lost a very dear and important person in our lives. I will remember Ron always with fondness.

*Sincerely,  
Nancy*
