“ *Janice, I am so sorry for your unspeakable loss. When we worked together at Stratford Social Services, I was pregnant with my son and you always spoke so lovingly of yours and gave me great maternal advice. Even in sorrow, you have been blessed with grandchildren to carry on. Blessings, Pat Luquis*

So many memories I don't know where to begin. One of my best childhood friends since Beecher. We would argue about who was blacker and Ronnie you know damn well you were blacker than me 😂 Charra and I called you Goo from my brother in me. You were always the funniest, the best dressed and even the smartest even in TAG (talented and gifted). I would run into you in the Castle and say hey Goo laugh. My heart goes out to everyone. My God be a comfort to you all 🙏

My Prayers, condolences and heartfelt sympathy for Mr & Mrs Staton, his children, wife and all who knew and loved Ronnie. I knew and loved him and enjoyed seeing his beautiful smile and the way I made him blush telling him how fine and handsome he was! He was so friendly, can't believe he's gone, had so much to give. God bless and strengthen his family in the days ahead. Love Marlene Giles
