“ *Rocky was very influential in my life. He took time with me in my teenage years and helped to guide me as a young man. Rocky was there for me & my Mother in every way. Rocky was there for my grandparents in their finals days. I'm blessed to have had him in my life. He taught me a lot about being a man. Men like Rocky makes the world a better place. I miss him something awful. Rest in peace Roosevelt Smith.*

“Feeling gratitude and not expressing it is like wrapping a present and not giving it.”
Rocky has been a part of the Stephenson family in so many wonderful ways. He was a friend that was always there for our family especially when we lost our mother and father. Rocky was my husband's (Bubba) best friend and motivator in order to get any job done around the house. He made sure all was done and fixed around the house. He kept our cars running when there was no money for a mechanic. He was the spark that became constant in a changing world for our family. Rocky was a true friend with a good heart and sound judgment. He was someone I know loved his children also because he often spoke of them along with several members of his family from Society Hill. SC. Driving to SC was one of Rock's joys. We all bonded coming from Darlington, SC
It would take much more than a day to celebrate Rock's life.
