“ *Mrs Ruby was my favorite, i loved her so.....I would pick her up 3 times a week and we had so many conversations and laughs. I could talk to her about anything, she was my friend just like family. I miss her laugh. My heart hurts for all that she was going through so quickly. Mrs Ruby loved her family dearly and she talked about how good her daughters and grandson were to her. I always told her she was the Queen! I love her and miss her very much. Jesus Christ was her love and we prayed for each other often. Mrs. Ruby will FOREVER live in my heart., my precious gem💎My condolences to the Young/Shelton family from the North East Transit Family and myself Tesha Hofler 🙏🙏*

My first cousin, and my sister will be greatly missed. We will no longer share those conversation that I always looked forward to daily. I love you, but God loved you best! My Mom first; then we are friends! I'll always remember our conversations of yester years! The laughs, the winks, the bursts of laughter after "choice secrets" were divulged/shared...! I'll always hear your voice of wisdom in my "memory banks"! I love you Mom; Rest in Peace 🕊️❤️❤️❤️
