We were so saddened to hear about your mother's passing. I recall fondly how she was a bright light in many of our campaigns. May she now rest in peace having run her race and fought the good fight. Please know that you and your entire family are in our thoughts and prayers.

“ To the family. In your deepest hour always remember that no matter what the situation is God will always be there. Ms. Blango was a very nice lady. When she spoke it was soft but stern, she said what she meant and meant what she said. She will be miss, but not forgotten. Family always remember the lessons she taught and you all will never go wrong. God Bless you all.
