“ *I had the pleaseure of working with Ruth when she was a patient on the Rehab Unit at the Hospital of St.Raphael. She was such a pleasure - always a smile and a kind word. Even to this day, when I get together with friends and we speak of our most memorable patients, Ruth is always mine for the way she lived her life and treated others. She is who I want to be, strive to be, especially on difficult days.*

*When I think of Ruth, I see her tooling down Dixwell Ave. in her scooter chair, and I smile.*

*How lucky you are to have had her in your lives for so many years. I am truley sorry for your loss.*
