“ To the Henderson Family I had the pleasure and honor of meeting Ruth many many years ago at Wexler Grant School. The day that we met was an instant connection because of her kindling soul and beautiful smile. We worked on many many workshops for Wexler-Grant P.T.O and District-Wide Parent Advisory Council Title 1. She was always working very hard on making sure that the children and parents of Grant had everything that they needed to make the family stay connected with the school and the district. She had such a beautiful smile and I really enjoyed all of the wonderful conversations that we shared. She had a way of uplifting your soul and making you feel better. I will cherish the memories of her and keep the family in prayer! Florence Caldwell
