“ *If tears could build a stairway and memories a lane,I would walk right up to heaven and bring you home again  
Uncle Sam,sorry it took me almost three years to decide to write something,for I was so at a lost for words.The lord is the only one that knows how much your leaving has hurt me,(for everyone thinks I am so tough) I miss you sooo much.You and I had a very special bond that noone can replace,you were the only one that understood me and knew my struggles and my pain,anything I would call you for you would be right there,I love you uncle sam.I no one day I will see you again,so until then,Sleep On,Oh,and if you feel hands wrapping around your waist,or a breeze apond your face every now and then thats just me,sending you much love with hugs and kisses.  
PS:You still owe me a glazed donut(haha)

“ My condolences go out to the family of Mr Samuel T Lucas. This must be a difficult time for you, understanding that someone that you loved passed away. God has provided us with a comforting promise and it involves us seeing our loved ones again. Revelation 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ I know you'll grieve and wish I was still here.  
I am here in the memories you hold.

*I do not wish for you to cry, nor feel sad.  
My pain is gone and I am free.*

*I am not alone all who went before me is here.*

*Will miss you,  
Uncle Sam*
