“ *I love you Sandy! You have always been so pleasant and optimistic! I remember calling you out the blue and it had been some time since we had seen each other or talked but you knew who I was immediately and the excitement in your voice brought me so much joy and love. Distance can never destroy our family or our love. You have run your race well and you made it. You have elevated and I am so happy that you never have to worry or feel pain again. Enjoy reconnecting with all whom have preceded you in your journey home. I love you all. Heaven is overflowing with nothing but the best and baby girl you more than qualify! I love you Sandy....you will never be forgotten! LOVE YOU ALWAYS, your cousin, TK*

“San” we affectionately called her. Was one of my best friends. We met in Troup Middle School in the 7th grade. From playing basketball to listening to music, to walking home from school to her sister Doris’ house where we would hang out and Eat leftovers. Although Life took us in different directions when we got together it was like we were those 2 same young school girls in spite of her health. “San” I will miss you my sister, my best friend and I will never forget you. Rest in peace!
My Heartfelt Condolences to the Gray Family.

“Special” is the word that best describe Sandra. “Special” is a word that is used to describe something or one of a kind like a hug or a sunset, or a person that spread love with a smile or kind gesture. “Special” describe people who act from the heart and keep in mind the hearts of others. “Special” applies to someone that was admired and precious and can NEVER be replaced. “Special is the word that best described Sandra. My condolences to the family.

Sincerely:
Mrs. Barbara Jackson & Family.
