*Rest In peace my friend. I will miss our visits and that pleasing smile when on our visits you would say, “where you coming from” and Angela (niece) and I would say we’re coming to see you”! That would always make us laugh. Over the last four years it has been my privilege to know you and to get to know your girls. You became my Aunt Nell too, in a sense. Now, you are resting in the arms of Jesus. Know that I will always remember you and your warm smile.
