“ My prayers are with you Da’Jon and your family . I’m very glad to had the honor of knowing you and spending some great times with you and my son Sean. We were glad you were able to spend some time staying with us for few days of your first leave after boot camp. Still laugh about you telling me you burned up more ammo shooting with me then in the Marines.boot camp. Was hoping to see you at Sean’s Airforce base this New Years and going out shooting again. So proud of you for following your dreams to become the best Marine you could be. You are what American patriotism is all about . RIP brother in Arms , MAJ Eric Walters, US Army, RET
