“ My sister Sharon. As we rode together from church many times I will treasure the conversations we had. When Curtis passed, Dr. Kim assigned us to March in together during church events. You will be missed, loved & remembered.

“ Sharon! What can I say? A prayer warrior, a praiser and God knows a quiet storm! But when you opened your mouth we knew the Lord was with you. I have so many memories I could share but all I can say is well done thou good and faithful servant. Enter into the joy of the Lord. I will miss you. Mother Pair, Elder Dennice, Chris, Kevin and Webster you all are in my prayers. I love y'all! Rest Well Sharon.

“ To Mother Pair, Denise and Family, words cannot express how my heart is feeling right now. Sharon was indeed part of our family, I use to sit right behind her at church, she would supply a few of us with cinnamon mentos every Sunday. She was such an awesome women of God, and such fun to be around. She loved the Lord, and her church family.

I remember the times when she would expedite the service, we loved when it was her turn to do so, as she was a powerhouse, she ministered under the anointing of God. She was a loving and kind person, always gave encouragement when it was needed.

All of us that knew Sharon loved her. I have so may happy memories of her that I will cherish in my heart. My last beautiful memory of her is when I celebrated my 70th birthday, we all went to Longhorn in North Haven for my celebration. We had such a wonderful time enjoying each other's company.

Sharon will definitely be missed. May God strengthen each one of you and give you strength. I will continue to keep the family lifted in prayer. The Pair Family is my family, and I will never ever forget Sharon.

Sleep on Sharon, take your rest, I love you, but God loves you best.

“ Sharon was not only a church member but a very close friend, my sister 😭. I love her because you can call her at any time and if Sharon can do it, it's already done. One day I broke my foot and Sharon came to my aid with Dennice and she set by my side. She said, as long as I'm here, you're not alone and I will be here when you call me. That meant the world to me. She always had a plate for you and she would always keep you in line, even from a hospital room. She kept up with me no matter where I was in the world making I kept God first.

Thank you sister for always being there for me and always being a listening ear. Thank you for your stud was and for discipline and dedication to God. Thank you for your unselfish love for people. The field trips and walks down Broadway, I will miss you. Thank you for allowing to be a part of your family.
