“ *For the family,*

My deepest heart felt sympathy goes out to you all. I knew Sheila through dialysis. She always had a smile and a story about her kids or grandchildren. She loved you all. I am sure that you will stay close and keep the good memories nearby to help you heal. I know that I will miss her at dialysis. Again I am so sorry. My prayers for all of you.

“ Always a super nice and warm lady. As a sub-teacher I worked with many Paraprofessionals from different schools throughout New Haven, and I would run into her on occasion. A great leader and role model
