

Sherry White

August 31, 1964 - August 25, 2023

Sis. Sherry C. White was born on August 31, 1964, at Yale New Haven Hospital in New Haven, CT. She departed this life on Friday, August 25, 2023. She was the second child born to Magnolia and Grady White. Sherry was born in the United House of Prayer for all People where she received the Holy Ghost at an early age. She attended New Haven public schools where she completed and received her high school diploma.

Out of beautiful partnerships, Sherry bore three beautiful children, whom she loved very much.

In June 1998, Sherry relocated to Augusta, GA where she later met her life partner Dwight Dudley. While there were no children born from that union Dwight loved each of her children as his own.

She returned to her home of New Haven in the early 2000s, where she attended New Haven, CT and worked with the Lifelines until her death. Sherry was a dedicated tithes payer and G-Class worker.

Sherry enjoyed spending her time, shopping, traveling and cooking for her family. She was a devoted daughter, sister, mother, grandmother, and aunt.

She was preceded in death by her father Grady White, sister Shirrie White,

and her great-niece Samara Brooks.

She leaves behind to cherish her loving memory three children Haven Williams Jr. (Tamika Perez) of Norfolk, VA, Natoya White (Timmy Seller) of Augusta, GA, and Khadilah White of New Haven, CT. In addition, Sherry had one niece Shakeemia White (Steven Estelle), one nephew Vershauntey Sincere White, one great-niece Symphani Evans, 14 grandchildren, one great-granddaughter, her significant other Dwight Dudley, a god sister Michelle Dobson, and one adopted daughter Ruth Smith. She also leaves her memory with her extended family, the Smiths and a host of family and friends near and far who loved her.

“ *Haven, it will be the little things that you will remember the quiet moments, the smiles, the laughter and although it may seem hard right now those will be the memories that will ease some of your pain. Praying that God will send you and your family peace beyond all understanding at this difficult time.*

In my thoughts and prayers.

“ To Magnolia and Family,
We are so sorry for your loss. Sherry was always fun to be around, she was always cracking jokes, and had us laughing all the time. I remember when Sherry and Shirrie were born. They both had the beautiful gift of singing. Their father Grady had the same talent, and it was instilled in the both of them. May God comfort each and everyone of you during this sad time. May all of the beautiful memories of your daughter, sister, aunt, grandmother, cousins, etc. forever linger in your hearts.

Much love
