“ *JoAnn and Family,
I don't have the words to express or ease the pain that I know you and your family are experiencing. May God strengthen you and help you to accept the things that we can not change. Remember, to look to the hills which cometh your help. He will never leave you along....trust him. My prayers are with you.

“ *Aunt Shirley, we can't say how much we will
miss you. Your smile, you being the one
family member that can give us all the past
history of our family tree. Your passing really
breaks our heart, however we understand you
are needed in Heaven. You may be gone but you will never be
forgotten. We love you and miss you already. R.I.P.*

“ *My heart hurts deeply, I understand God
needed my Aunt Shirley more than I did but I
will really miss her. Our morning
conversations meant the world to me. She
always made me feel special always listening
to whatever I needed to talk about. No more pain Auntie. R.I.P until
we meet again. Keep everyone safe there in Heaven.*
