“ To the McCoy & Ashe family,
My family and I are sorry to hear of the loss of your loved one. We share your grief immensely. Know that you are all in our thoughts as well as our prayers, during your time of loss, and sending comfort in the midst of your pain. I just like to say, I appreciate the time that I spent with Mrs. McCoy, after she retired, and, and cherish the conversations and laughs we shared at her home. However, we know that grief is the epitome journey, when trying to heal when your loved one is no longer with you, because it can take some time to process it all. So our continuous prayer to each and everyone of you, may her love and memory continue to comfort you, during your time of mourning.
