“ *I remember when simfane and i got our first apartment together. We decided to make grits for the first time it was horrible. We still never learned either. She was the perfect example of a bestfriend. I'm going to miss her smile even her gap. Im going to miss her wicked laugh and the way she held her head back doing it, made me laugh to.*

“ My daughter Sherena and I (Darlene) are in total shock, we are lost for words. Sherena and Simfane "Simf" knew one another since they were babies (3 months apart). This is devastating news to us and unimaginable to accept. We are grateful to had known Simfane in her life time, and to treasure those memories of her forever. I am so sorry Doreen for your loss. My family and I are sending our deepest condolences to you and your family. May god continue to look after you during this time. Rest in Peace beautiful angel.
