“ *Dear Dave and family: You know that my heart goes out to you and your daughters. I looked at her picture and thought that she seemed like a nice and pleasant woman, way too young to leave you. Of course, as unfortunate and tragic as this is, she is no longer in pain. God rest her soul. It is the survivors that have to be helped. And pray to God for guidance and strength, Dave. I hope that you can find time with your daughters, your family, and allow time to heal wounds and keep your family together. I know this will not be easy. But you're a good person Dave. Your wife knew that and she knows that you will be o.k. Always feel free to talk to me. Your friend, Heidi.*
