“ *Tammy F. Sowell*

“ *During this time of grief and sorrow, we celebrate the life of Tammy Sowell along with all her loved ones and the many lives she touched because she lived her life to the fullest for her precious sons Jeremiah and Josiah, family, and friends. She was such a beautiful person inside and out and had a smile that could warm even the hardest hearts.*

*Each and every encounter with her was both positive and pleasant and you instantly knew there was a light in her only God could illuminate. All of Heaven knew her before she was in the womb and it was a pleasure to have known such an amazing woman. Thank you dear beloved for showing us a glimpse of Heaven here on Earth!*

*Love Teasha & Steph*

“ My condolences to her boys, and her family!! Tammy you will be truly missed, your boys were your life the nights we spent laughing, crying, telling jokes, telling stories. You were the best CNA I know. You took pride in your work when ever I needed you, you were there. You always came to work and gave it 100%. You touched many people with your smile, your joy, and you were always so positive even through the worst times. I will miss you so much. Sleep in peace Tammy. Until we meet again. 🙏❤️🙏❤️🙏❤️
