“ *My beautiful niece. Your smile was illuminating and electrifying. We shared our personal moments and I will never forget you. I wish we had more but I thank God for all the funny times you made me laugh and the times we cried together. Tee dot, my sweet niece. I will never forget the time you told me to never hide who I am from nobody. You were right and from that moment I never did. Your book is closed and I know that no matter what, you had a beautiful mind and heart.*
