

## Terrance E. Morgan

April 26, 1980 - January 24, 2021

Terrence Edward Morgan was born in Okinawa, Japan on April 26, 1980 to Master Sergeant Victor and Vernell Morgan. He was called home unexpectedly on January 24, 2021 while living in New Haven, Connecticut. Terrence was a military dependent and grew up all over the world. He graduated from Cross Creek High School (Augusta, GA) in 2000. Terrence later moved to New Haven, where he joined Christian Tabernacle Baptist Church (Hamden, CT). He earned his commercial driver license (CDL) from the New England Tractor Trailer School (Bridgeport, CT) and received several endorsements. He began traveling around the globe again, becoming known to his mother as the Global Kid.

As he traveled around the United States, he would always return home to see his daughter, Kamora Morgan (11). There was nothing he wouldn't do for Kamora, she had him wrapped around her little finger and she was the center of his world. Terrence was a jokester and had a kindling spirit, He had a smile that would light up the room..Even when he wasn't feeling his best, he would go out of his way to help a friend in need no matter the circumstance. He was a given young man and would give his last dime - if you promised to pay it back. Family was very important to him and he enjoyed getting together to show off his grilling skills.

He leaves to cherish his memories his beautiful daughter Kamora Morgan
