

## Terry Noble

December 9, 1961 - August 13, 2021

Terry Nobles entered eternal rest unexpectedly on Friday, August 13, 2021.

Terry was born December 9, 1961, a son of the late Gloria Jean Bell and Johnnie Nobles. He was the eldest out of six remaining siblings. Terry was educated in the New Haven public schools graduating from Wilbur Cross High School in 1978 or 1979.

After graduating high school, Terry went on to continue his education at Southern Connecticut State University. During this time, Terry studied to become a mechanic and an electrician. Terry later turned his focus solely on mechanics. Terry spent much of his time being a side mechanic until he decided to take a job at a Hyundai dealership where he received several awards and accolades for his mechanical abilities and understanding. Terry was employed at the dealership for over a decade and then went on to work at Wilsons Motors in North Haven, CT where he remained employed for many years. He also worked at D & D Motors before he decided to go into business for himself.

While he was in school, Terry had a courtship with a woman whom he adored, Lisa Hopkins. The relationship lasted well after he graduated, into his adult life. During this 20 year courtship, they produced a daughter, Kimberly Noble, who Terry loved more than life. Terry had a special and unique bond with his

mother and his loving and dedicated stepfather, James Bell who assumed the fatherly role for Terry since he was a baby. He never looked at him other than his son. Terry was also a very dedicated big brother in every way to his loving siblings.

He was very respected in the community just like his late mother. Terry will be greatly missed by those that had the privilege to have had any type of relationship with him. He will never be forgotten.

Terry leaves to cherish his memory, his daughter, Kimberly Noble; sisters, Janet, Crystal and Esther; brothers, James, Jr., Benjamin and William; his stepfather, James Bell; 3 loving cousins; and a host of other relatives and friends.

He was predeceased by his parents, Gloria Jean Bell and Johnnie Nobles.

“ Terry , I remember when you were born. I'm twelve years older than you. You were a beautiful baby with a head full of thick black curly hair. You were always kind, thoughtful, helpful and had a great attitude. Always positive. We shared a lot of good times and laughs. You will be missed, love cousin Lynn.
