“ *Thomas "Buzz" I didn't t know you long but you left a lasting impression. You were very kind to me I enjoyed the time when we hung out in New York; walking and talking. The night all of us were at Dana's place when I came to town to visit...I have that picture on our fridge. You have transitioned and been uplifted to "Angel Status" and I know you are looking over everyone. Condolences to the Boykin Family, we will always remember "Buzz".*
