“ Tony, That summer we spent at cousin Olivia and Wilber's house formed the foundation of our brotherhood/friendship. We expanded that foundation with my summer visits to New Haven and in Oakboro during July 4th celebrations. Those interactions and memories lasted a lifetime. Please know that I treasured every moment with you and Vernon. And when I reflected on my drive from Hartford to New Haven that fall evening, I realized that we obtained everything we'd hoped for...brotherly love! Rest in peace, my brother. Your brother, Michael
