“ *To my family Tony is my cousin on my father side of the family I remember that Tony was a smoothed walking guy we always was a sharp dresser and a pain in the butt in a good way he is going to be missed by all of his family and friends given dad and my aunt and uncle my love in Jesus name we say amen*

“ *Never mind the crazy and mindless things that may have happened in Tony's adult life. We all have had our crosses to bear and many of us never even tried on the shoes in life that others have had to walk in. I always want to remember my cousin Tony, as the happy and laughing person I knew. Although life sent us down different paths, I choose to remember my cousin in all of the "Good Ways!" Through his life, he continues to give life. Life through the thoughts and memories of those childhood days that too quickly turned into adulthood and now has brought him to a peaceful resting place. You will be missed "Tony."*
