“ *Dear Tonya, I sit her thinking of almost 5 yrs from your passing. We loved each other the best way we knew how. The day you passed away was the day I was celebrating my life. I will miss you! I miss you! Being able to pick up the phone and we reconnect. I know too I'm a special place. A better place. My 1st true love. My always true love. Stop by some time in my dreams or day and give me a hug, kiss and laugh. Wipe my tears and make me laugh. My T Girl!*
