

Trequon Lawrence Sr.

February 14, 1994 - September 8, 2021

Trequon Nivek Lawrence Sr.²⁷, affectionately known as Tre was born February 14, 1994 in New Haven, CT to Pashion Watts-Gaines & Trevor Lawrence.

Tre was raised by his mom and stepdad LaShawn (Wendell) Gaines in the city of New Haven. He graduated from Hyde Leadership High School in 2012 and attended the University of Bridgeport & Southern Connecticut State University where he was on the Dean's List.

Tre was a loving devoted father, son, grandson, brother and uncle. He was a very hard worker and will be remembered for his time doing security at Amistad School in New Haven & his most recent employment at Yale New Haven Hospital in the transport department.

On January 9, 2012 Talea gave birth to Tre's first child Trequon Lawrence Jr. aka TJ. He loved his son with all his heart. You could often find them hanging out with matching outfits just enjoying life. He liked nice things and wanted his son to have the best as well.

Toward the end of 2020 Tre learned that he would be a dad for the 2nd time this time it was a girl. He began to focus up even more on building a stable environment for his growing family. He was introduced to the world of FOREX

trading by his longtime friend Najee and set out to become financially free. His goal was to not only help his family but to help as many people who would listen gain access to this information. He quickly earned the position of Platinum 150 leader in IM Academy.

His daughter was born prematurely on April 2, 2021. Sadly Thea died 26 days later in the NICU at Yale. You could faithfully find him sitting in the NICU with baby girl praying that she'd be ok. Even while going through this difficult time he continued to work hard on his goals and motivated others.

He leaves to cherish his memory his son Trequon Lawrence Jr. (TJ) longtime companion Talea Colon. His parents Pashion & Lashawn Gaines, Trevor Lawrence. Sisters Nikita, Nariyah & Trinity Gaines, grandmothers Laverne Watts and Mary Gaines, Nephew Noah Softleigh and a host of aunts, uncles, cousins and friends.

He was predeceased by his daughter Thea Naveh Lawrence. Maternal grandfather Bernard Watts. Paternal grandparents Shirley and Donald Lawrence.

“ I met Tre in February of 2021, he worked as a transporter on the 3rd floor,. Everyday he would stop at my desk and just talk about life in general. Always wanted to know if I had any snacks lol. Which I did keep a bag just for the transport workers.. His goals were his dreams, and he would always say Auntie I'm going to better myself for my family. I'm gonna miss him in the short time that I knew him he was always respectful.. Praying for the family 🙏🙏
